To inbre@hawaii.edu

Please see Page 2 for more details.

IDeA Networks of Biomedical Research Excellence (INBRE) Logo Contest!

Logo Characteristics:

1. The logo should contain "INBRE."
2. The logo may include words or images.
3. The logo should be created using digital techniques or applications.
4. The resolution of the logo must be of high quality (minimum 300 DPI) so it can be resized and applied to various media such as letterhead, presentations, email messages, websites, and badges, at a minimum.
5. The maximum number of four (4) different colors may be used.
6. Any shape may be used.
7. The final logo submission should be saved and sent in JPG format.

Rules:

1. Any INBRE undergraduate student at UH Manoa/JABSOM or our partners: Chaminade, HPU, UHWO UH Hilo, KCC, LCC, UHMC, WCC may participate.
2. Each student can submit only **ONE** entry.
3. The logo should express some key concepts of INBRE: Biomedical Careers, Student Research Experience, Natural Product Discovery and Molecular Medicine.

Deadline, Selection Procedure, and Prize:

1. The deadline to submit your logo design is **March 15, 2019**.
2. Submit your logo entry via email to inbre@hawaii.edu.
3. The Selection Committee will review submissions through March 31, 2019.
4. The winner shall be announced at the INBRE Program Meeting during the Annual Biomedical Sciences Symposium on April 26, 2019.
5. The award will be **\$500** and is subject to tax liabilities.
Form 1099-MISC will be completed under the same name as reported on the logo contest submission.

The Criteria for best design:

1. The logo must clearly illustrate INBRE and its concepts.
2. The design must be easily reproduced on various applications.
3. The logo with best quality and most innovative will be valued.
4. INBRE Leadership reserves the right to modify the awarded logo based on the availability of technical support.
5. Participating in the contest means accepting the rules, characteristics, and criteria as stated above.
