

ATTENTION TRANSFER STUDENTS

Are you considering transferring to a four-year institute to receive your Bachelor's degree?

If so, consider continuing or even starting your **INBRE Research Experience!**

INBRE research activities and participation are educational, career building, and can offer opportunities to enter Graduate and Professional schools.

THREE OPTIONS TO CONTINUE YOUR INBRE RESEARCH EXPERIENCE

CONTACT YOUR:

1. INBRE CAMPUS COORDINATOR

Discuss potential research opportunities and possibly continuing your research experience while earning a bachelor's degree

Visit: <http://inbre.jabsom.hawaii.edu>
> People > Campus Coordinators

2. INBRE PATHWAY DIRECTOR, DR. J-P. BINGHAM

Dr. Bingham assists in connecting you to the research community at your new institute - where exciting research opportunities await you

Email: inbre@hawaii.edu

3. INBRE ADMINISTRATIVE TEAM

For further questions and/or clarifications regarding the program, feel free to email the INBRE administrative team

Email: inbre@hawaii.edu

*As part of the INBRE Ohana,
you have access to:*

- Career building tools and research opportunities
- Mentorship and guidance in career path selection
- Preparation for academic transition to Graduate and Professional Schools
- Exposure to new research skills
